APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

A substantial weir must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 2.80 cubic feet per second.

Actual construction work shall begin on or before July 17, 1944

Proof of commencement of work shall be filed before August 17, 1944

Work must be prosecuted with reasonable diligence and be completed on or before July 17, 1946

Proof of completion of work shall be filed before August 17, 1946

Application of water to beneficial use shall be made on or before

July 17, 1947. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 17, 1947

Filed June 3, 1942 under 10 807

WITNESS MY HAND AND SEAL this 17th day
